My pick of the domaine's current releases is the 2017 Montpeyroux la Cote Rouse, 100% Syrah aged in barriques from Nadalié. Effusive notes of vanilla and raspberry on the nose are followed by a wine of serious structure and concentration. It's full-bodied and rich through the mid-palate, turning silkier and more elegant on the long finish. Give it another year or two in the cellar and drink it over the following decade.
