| Wine Advocate #90 Dec 1993 | Robert M. Parker, Jr. | 89 | Drink: 1994 - 2004 | (12) |
|-------------------------------|--------------------------|----|-----------------------|------|

The 1991 Montpeyroux is a deeply-colored, rich, full-bodied wine with considerable extraction and density, as well as moderately sweet tannin in the finish. It possesses admirable black fruit character, subtle herbaceousness, and lavish flavors presented in a full-bodied, well-balanced format. This complex, mouthfilling wine is drinking well now, but has the component parts and overall balance to last for 7-10 years.

About Maturity and Drink Dates: Most reviews in The Wine Advocate include a period during which the wine should ideally be consumed. We express it as a range of years (Drink Dates) and we use that range to calculate a 'Maturity' for the wine as of the current date. Maturity values are: Young - the early drink date is in the future; Early - first third of the drink date range; Mature - middle third of the range; Late - last third of the range; Old - the late drink date is in the past.
